Recognizing those who helped with the better-ment of our community.

Listed with their accomplishments if known.

The above should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished we could have a wonderful world.

Freedom of speech and media safeguards freedom.
Our Constitution and Universal Declaration of Human Rights gives us many Freedoms.
Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, Mslm terrorists who nearly caused hundreds of deaths of children and Warren workers in 2026. And over 49,000 Mslm terror attacks since 9-11 worldwide and killing nearly 200 in USA.

And there are the greedy 1% who have excessive wealth dodge taxes, and Corporations who don't pay a living wage. We now have the resources to provide good clothing, food, housing, medical care and education to all citizens..

Before the first entry we acknowledge that there are many Heroes and Volunteers who declined to have their names put in this history because they choose to do good work anonymously. I will call these our Anonymous Heroes. Several of these have put in hundreds of hours doing good work in our community. We give them our thanks and gratitude for their wonderful works.

Yates or Yakes , GABRIEL MI Macomb 4/10/1837 Detroit 14528 MI0300__.041 first land buyer, farm near what is now Sherwood and Eleven Mile Road. He held the position of Pound master until 1848. His name is spelled differently in different records. Gerald Neil stated the first public building in Warren was a pound constructed of logs 30 feet square and eight feet high in 1839. It had a strong gate which was kept padlocked. It was used to house stray animals and was located on Gabrel Yates' farm. He held the position of Pound master until 1848. The pound was located on his farm near what is now Sherwood and Eleven Mile Road. (Gerald Neil 8)
